questions into the
Q&A at any time!**

PICHTR'S History and Vision

ABOUT

PICHTR is a 501(c)(3) nonprofit established in 1985 with a MISSION to expand economic opportunities in Hawaii by promoting public - private partnerships and advancing sustainable development

PICHTR'S Latest Project & Initiative

CLIMATE ADAPTATION COLLECTIVE

- Proactively tackles barriers to climate change adaptation by providing capacity building and advocacy to decision-makers and the general public to enable forward progress on the most critical climate change adaptation initiatives of our time
- Proactive climate change adaptation is an opportunity for a more resilient and economically strong Hawaii

- Today's webinar is part of our capacity building efforts to increase awareness and understanding of climate change adaptation challenges, solutions and opportunities for Hawaii and abroad

Beyond Hazard and Vulnerability Planning: Weighing the Costs, Benefits and Challenges of Climate Adaptation - Introduction to Moderator

Melissa May, AICP
Senior Planner and Resilience
Practice Leader, SSFM
International

Discussion backdrop

- Government agencies have challenge of planning for climate adaptation
- While hazards, vulnerabilities, and the urgency to adapt are well documented in many areas, what is needed are solutions and implementation
- Climate adaptation requires a rigorous, replicable, and defensible decision-making framework for identifying and vetting different solutions
- Adaptation pathways approach enables evaluation of climate adaptation options based on feasibility, costs and benefits, community acceptance, and other factors over different time horizons and levels of climate impact

Beyond Hazard and Vulnerability Planning: Weighing the Costs, Benefits and Challenges of Climate Adaptation - Introduction to Panelists

Sarah Chang
Project Analyst, Hawaii Coastal
Zone Management Program

Dr. David Revell
Principal of Coastal
Resilience, Integral
Consulting

Dr. Paul S. Chinowsky
Founder and Director, Resilient
Analytics

Dave Anning, PhD
Environmental
Economist, Integral
Consulting
